

The Christian Witch's Rede

Love thy God with all thy heart,
And wisdom with the spirit start.
Jesus Christ accept as Savior,
Strength and balance ever linger.
Keep the promise of eternal life,
Be the calm in worldly strife.
Harming none, give thyself to good,
Benevolence and joy to be understood.
Remember always the law of three,
What you put in, comes back to thee.
And listen well to other's being,
Quietly discerning what your seeing.
Walk in beauty as the light,
Be not afraid of darkest night.
Humility guide thyself anew,
With faith in God be ever true.
In love and healing offer assistance,
But not against a wholesome resistance.
Never beg and never bend,
The words you offer to a friend
Wherever ye are caught in a hook,
To the Christ's Commandments look.
"Vengeance is mine," sayeth God,
Seek not revenge, lest evil tread.
Mind thy tongue, and guard thy mind,
Seek the truth, be ever kind.
Do this in the love of Christ,
And God will keep you all of life.

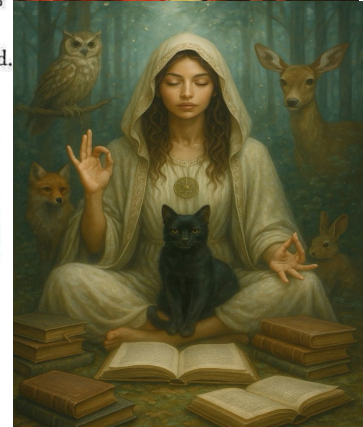

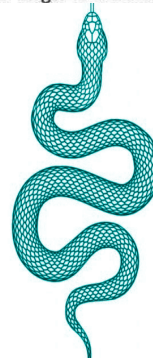

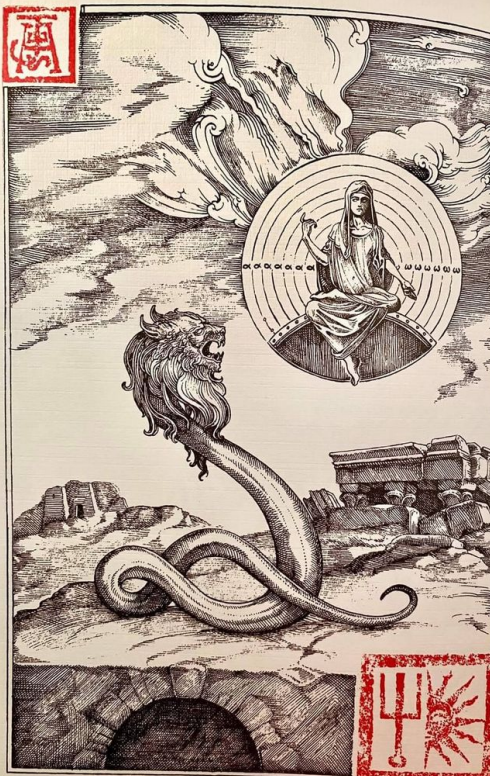

The Forgotten Secret of Bibliomancy

It's common for wizards to open a magical tome at random to divine according to the first word or sentence the eye lights upon. Even the unenchanted practice this sort of bibliomancy, using whatever book they consider most sacred. But there is a subtlety that almost everyone has forgotten, and it is the one thing that ensures magical success. *The consulted book must have fallen down from a shelf on its own.* Only a book that presents itself of its own accord will be wholly reliable for consultation. Here is the procedure:

1. Once a book has fallen,
 - a. pick it up respectfully
 - b. dust it off gently
 - c. hold it to your heart for several moments.
2. Place the book upon a table, balanced on its spine.
3. Allow the pages to fall open.
4. Close your eyes and place a finger upon the open pages.
5. Allow your finger to move across and around the pages until it seems to stop on its own.
6. Open your eyes to see what word or sentence your finger has selected.

The 7 Laws of the Christian Witch:

1. LOVE GOD WITH ALL THY HEART, MIND, MIGHT AND STRENGTH
2. LOVE AND CARE FOR THE EARTH. SHE IS OUR MOTHER
3. LOVE AND CARE FOR ALL CREATURES THAT WALK THE EARTH AS FELLOW STEWARDS
4. LOVE AND CARE FOR ALL MANKIND AS THYSELF - THE WHOLE OF THE HUMAN RACE IS THY FAMILY
5. SEEK NOT FOR REVENGE, BUT FOR WISDOM (LOVE THY ENEMIES AS THYSELF)
6. SEEK TO CREATE, NOT TO DESTROY; TO DO, NOT TO UNDO
7. BE TRUE TO THYSELF, A DIVINE BEING CREATED IN THE LIKENESS OF GOD
